Peace Pantry Items include white socks for homeless veterans. Socks can be placed in the pantry cupboard or the box in the Narthex. We will also be gathering food items to restock the pantry at the Home of Hope in preparation for the new family!!!

On January 27, Pastor Bill will be participating in a MUSCULAR DYSTROPHY fundraising event. If you would like to help him raise his “Bail Money” please speak with him any morning before or after worship! Thank you.

Some changes have been made to the process used to include and pass along prayer requests for our **Prayer Circle** – The primary issue is the assurance that we have permission from the individual before they are added to our prayer circle. Please do not assume that a person wants to be on a prayer chain. If you have a friend, neighbor or co-worker who you believe would be helped by prayer, please ask them if they would like to be on our prayer circle. And please, in order to respect a person’s privacy, do not share more than they might request.

***CALL TO CONFESSION**

+PRAYER OF CONFESSION

Gracious God, we are needy and broken, desperate for the forgiveness that only you can give. We have chosen to go our own way for too long and we now recognize the foolishness of our choices. We have not lived as the people you created us to be. We have not served as ambassadors for your kingdom. We have not loved you wholeheartedly, nor have we walked faithfully in a moment by moment relationship with you.

Here, today, in this place, we recommit ourselves to you and to the call you have placed on our lives. Forgive us and remake us for you are our only hope. Hear our prayers, offered in the name of Christ Jesus. AMEN.

+SILENT PRAYER *(please use this time to confess your personal sins)*

+KYRIE

+WORDS OF ASSURANCE

Pastor- If God were to hold on to our sins, then who could stand before Him? But with God we are forgiven.

People- This is good news! Thanks be to God! AMEN!

We Can Help You Avoid a Stroke

Trusted by Hospitals Nationwide

Life Line Screening has partnered with over 370 hospitals across the country and has screened over 5 million participants. Why? Because the ultrasound screenings that we offer can help save your life.

1 Stroke/Carotid Artery Screening

Ultrasound evaluation of the carotid arteries that screens for buildup of fatty plaque – the leading cause of strokes.

2 Heart Rhythm Screening (Atrial Fibrillation)

Painless 6 lead EKG that can detect an irregular heart rhythm. Atrial fibrillation increases the risk of stroke 5 times.

3 Abdominal Aortic Aneurysm Screening

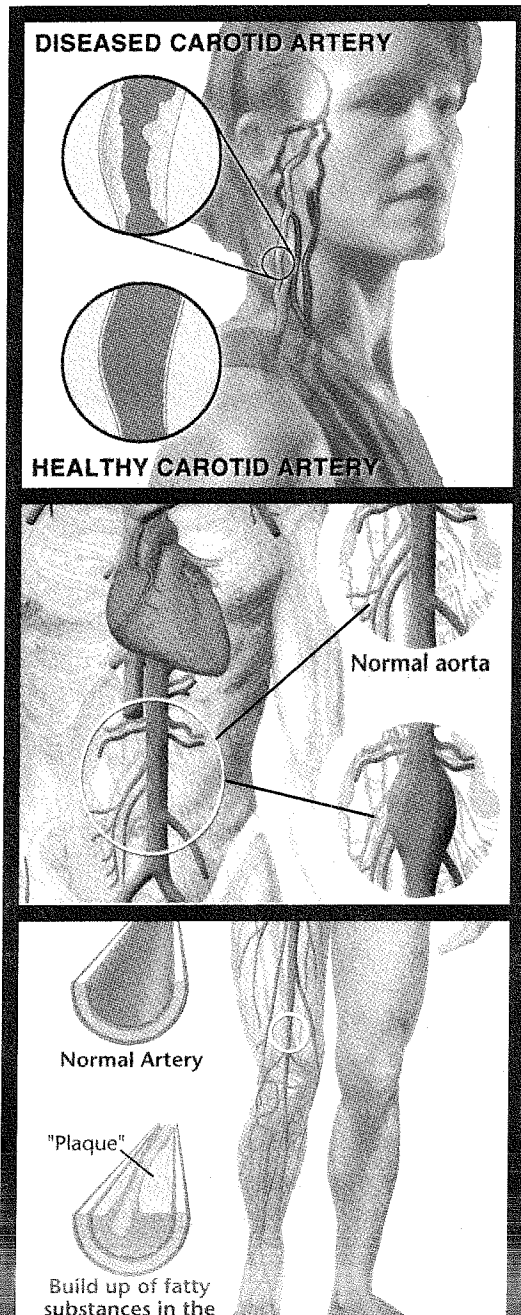

Ultrasound is used to screen for the presence of an aneurysm in the abdominal aorta that could lead to a ruptured aortic artery.

4 Peripheral Arterial Disease Screening

Evaluates for peripheral arterial disease (plaque buildup) in the lower extremities. It is 4-5 times more likely you will die from heart disease if you have peripheral arterial disease.

Dear Friends,

It is our pleasure to make you aware of life saving screenings in our community.

Life Line Screening is the leading provider of community-based preventive health screenings in the US. Currently, in neighborhoods like ours, Life Line is screening approximately 1 million people each year, adding to the 6 million previously screened since their beginning in 1993. Cardiovascular disease is the #1 killer in the United States of both men and women—and a leading cause of permanent disability.

Consider the facts*:

- 4 out of 5 stroke victims had no apparent warning signs
- 80% of strokes can be prevented

You may think that your physician would order these screenings if they were necessary. However, insurance companies typically will not pay for screenings unless a person has suffered symptoms. Unfortunately, for so many people, the first sign of a stroke is a stroke. That is why having a Life Line screening is so important to keep you and your loved ones healthy and independent.

We encourage you to talk to your physician about Life Line Screening. We are confident that he or she will agree with hundreds of hospitals that have partnered with Life Line Screening and suggest that you participate in this health event.

Please take a minute to read this information about these quick and painless tests. Life Line Screening is coming to our neighborhood for one day only and appointments are limited, so please call 1-800-679-5192.
