

ANNUAL MEETING MISSION PROJECT

This year, bring a Children's Book to annual meeting that you enjoy reading to children or have read to a child.

In conjunction with the UCC's all-church literacy initiative that was launched last year, we will be collecting children's books at annual meeting. **Reading Changes Lives**, is our denomination's response to the crippling literacy gap in the United States and around the world.

There will be donation boxes throughout Degenstein Center during the weekend.

After annual meeting, the books will be distributed to organizations in each of our eight associations.
