Tuesday, May 28 - Marketing Meeting - 6:30 pm

The month of May the **Peace Pantry** will be collecting **new bed pillows** for foster children looking for their forever home at Pressley Ridge in Lancaster. For almost two centuries Pressley Ridge has served society by caring for its most vulnerable members. Although their services have multiplied and diversified over the years, providing exceptional care to children in need and families in crisis remains central to their mission and at the heart of all they do. The Stitch and Chat group will be making pillowcases for the pillows and they will be delivered in June.

Weather permitting, on Saturday, May 18 we will be having a **mulch spreading party**. The youth will serve breakfast at 7:00 am and afterward, we will spread the mulch. If you have a wheelbarrow, bring it along as the church only has one! Any help you can give is much appreciated. If you have any questions, talk to John Haldeman.
