This Month at Peace

Sunday, June 16 - Friday, June 21 - Mission Trip
Monday, June 17 - Stitch and Chat - 9:00 am

Vacation Bible School will be held from July 7 - 11. If you'd like to help there are several things you can do. First, we still need a few **crew leaders** to take the kids to their stations each night. Next, keep checking the **VBS Donation Tree** for needed items. New items have been added. Thank you for any help you can offer and if you need more information see Cindy Anthony.

Peace Church will participate in the **Acts of Love Summer Lunch Program** on **July 22, 24 and 25**. This year in addition to the normal sites in the parks in Denver, Reinholds, Reamstown, and Adamstown a 5th site will be added at the Denver Elementary School on July 24 and 25 only. At this site, lunch will be served an hour earlier than the other sites making it possible for volunteers to help at both Denver sites if they wish. We are looking for 1 person to pick up the food and 1-2 other people to help serve at each site. If you are interested in helping there is a sign-up sheet on the office window. If you have any questions or would like more information see Pastor Betsy, Bev Madara, or Mary Getz.

The **Cocalico Homes of Hope committee** plans to have a "**Painting Party**" on Saturday, June 22 from 8:00 AM-4:00 PM. A number of years ago, the Cocalico Homes of Hope committee began to rent a 200-year-old home in the Cocalico area to provide temporary housing and other services to families in the area who are homeless/near homeless. At that time, we asked for help from local churches to paint the interior of the home. We had an outpouring of help and were able to complete the project in a short amount of time. Since then, we have serviced a number of Cocalico families and the home is in need of painting again. (There were significant problems with moisture/standing water in the basement.)

Since then, we have serviced a number of Cocalico families and the home is in need of painting again. (There were significant problems with moisture/standing water in the basement.)

The moisture problem has been addressed, but it affected the paint inside the home. Many places are peeling and in need of paint. The members of the Cocalico Homes of Hope committee are hoping that we can count on your support, again, to help us paint the interior of the home. If we have enough willing volunteers, we could complete this project quickly. There are 6-8 rooms of various sizes that need to be painted. If we had 3-4 volunteers from 6-8 churches, the painting could be completed in one day. The committee will provide the paint and some supplies (it would be helpful if each church helped by supplying some paint rollers, paintbrushes and paint pans for their volunteers to use.)

There will be food provided for those who volunteer. If we do not get finished with our projects on Saturday, June 22, we will work again on Sunday, June 23 beginning at 1:00 PM. Volunteers do not need to paint the entire day. Please consider giving us some of your time on June 22 (23). If you have any questions, please feel free to call Pat Hall at 717 575-9179.
