JULY

Peace United Church of Christ, 37 East Swartzville Road, Denver, PA 17517

PASTOR'S PAGE

How do you measure ministry, successful ministry, meaningful ministry? The following is an approximate record of ministry for the last 12 years:

Baptisms Celebrated	50
Marriages Performed	75
Funerals Performed	125
Newsletter Articles Written	144
Sermons Written and Delivered	650
Worship Services Lead	700

The privilege of serving among the members of Peace United Church of Christ and walking in faith with you: **priceless!**

Ministry, of a pastor or of a church, cannot be measured in services rendered or sermons preached, it can only be measured in the relationships that have been built and the relationship with God that has grown deeper over time!

Thank you for allowing me to serve as Pastor and Teacher of Peace United Church of Christ! May we continue to grow in our relationship with one another, with God and with the world and community around us.

Blessings!

The Pastor is available for counseling and home visitation whenever requested, as well as for hospital visitation when informed.

Thank you! Although the project is not yet complete, and while we are still working to find the settings that will best suit as many people as possible, we thank everyone for their generous contributions that helped pay for the new HVAC system. If you have not yet been able to make your gift, gifts will still be received toward this project. Thank you!

Be a Hero...

Hartman Center 2010

This year's theme at Hartman Center is *Be a Hero* and there are a variety of camps for all ages. The church will pay for half of your registration fee. If you are interested, please pick up a pamphlet outside the church office for more details or go to www.hartmancenter.com where the camp schedule is posted and you can register online. There are discounts for sending more than 1 child to camp, going to more than 1 camp, bringing a friend or being referred.

We are looking for 7 families to join the Butz Family at Family Camp from July 28th to July 31st. A family could also include grandparent(s) or just one parent. This is a very flexible camp that

provides families time to experience Hartman Center.

There are many other possibilities at camp this year. We look forward to seeing you all at Hartman Center in 2010.

Children's Ministry Planning Picnic

On Monday, July 12th from 5-??, members of the Children's Ministry and their families will be meeting at the home of Barry and Pat Harting to plan for the 2010/2011 Sunday School year as well as fellowship. A picnic dinner will be served around 6 pm with swimming for everyone. Anyone interested in attending please sign up outside the church office by July 5th with how many people will be attending as well as if you will be bringing a casserole, dessert or other picnic item. Any questions, please contact Pat Harting.

Mark your calendars for Rally Day: Sunday, September 12th as we kickoff the new Sunday School Year. Look for more details in the August newsletter.

Summer Worship/Fellowship in the Grove

Once a month during the summer, there will be a special event in Peace's Grove. We are looking forward to seeing many faces from the church as well as the community so invite your family, friends and neighbors!!

Have you ever heard someone talk about everything that is wrong with the world? Or have you yourself thought the world is just falling apart at the seams? Then join us on Sunday evening, July 18 at

5:30 to learn – "What's Right with the World". We will gather for a light supper, some dessert and then for a short video presentation by Dewitt Jones, nature photographer for National Geographic. Watch and listen as the beauty of God's creation unfolds before us! If you are interested in attending, please call the church office to sign up and get more information!

Please look for details about the August picnic in upcoming bulletins and next month's newsletter.

RELAY FOR LIFE

On behalf of Stephanie and I, we wish to thank you for your generous giving. Stephanie had \$1100, of which \$250 was for luminaries. This was a great year both in terms of giving and weather. Our goal this year was to raise \$335,000. The grand total for contribution this year was \$293,158. All in all, not bad. On Friday, I helped to put together 900 luminaries plus about 1200 pieces of canned goods for the Ephrata Area Social Services. Each luminary had one can of food in the bag. If anyone would like a program from this year's Relay, please see me after church, I have a few.

Thank you,
Dick Palsgrove
